Subject: Related only through marriage.

Mom's father died before my mother was born. About a year later she married a Morgan Jones and proceeded to have another daughter and two sons. The youngest son, Don, married Deloris June "Dory" Burdett/Burdette. Related to Dory???, well, Don was more like an older brother than a half uncle, and Dory has always been my aunt. {No blood relation}

About five/ six or years ago, I and six of her 2nd cousins, pooled our findings over two years and got her back to William Burditt Sr., b: 1768

Soooo, I do have a little info on the following, if it would help, Larry:
